2.	<p><u>P4 Museum Based Learning</u></p> <p>Since 2018, Museum-based learning (MBL) has been implemented as one of the core learning experiences in the Primary Art Syllabus. All primary four students are required to visit one of the local art museums where students are engaged as artists and audience to learn and appreciate local art and heritage.</p> <p>Adhering to prevailing Safe management Measures, the visit to the local art museum will take place virtually where our primary four students will stay back in school and experience a guided tour of selected artworks at National Gallery Singapore by the facilitators in the museum through a zoom session. The dates and timing for the Virtual Learning Journey to National Gallery Singapore are as follows:</p> <table border="1"><thead><tr><th>Date (Day)</th><th>Classes Involved</th><th>Timing</th></tr></thead><tbody><tr><td>19 April 2021 (Monday)</td><td>P4 Integrity P4 Harmony</td><td>1.45 pm – 3pm</td></tr><tr><td>23 April 2021 (Friday)</td><td>P4 Respect P4 Resilience</td><td>1.45 pm – 3pm</td></tr><tr><td>26 April 2021 (Monday)</td><td>P4 Responsibility P4 Care</td><td>1.45 pm – 3pm</td></tr></tbody></table> <p>A form with more details will be sent to you via Parents Gateway.</p>	Date (Day)	Classes Involved	Timing	19 April 2021 (Monday)	P4 Integrity P4 Harmony	1.45 pm – 3pm	23 April 2021 (Friday)	P4 Respect P4 Resilience	1.45 pm – 3pm	26 April 2021 (Monday)	P4 Responsibility P4 Care	1.45 pm – 3pm	ST1

3.	<p><u>Values Inculcation – Responsibility</u></p> <p>Good values are best taught and reinforced both in school and at home. Thus, the school implements VIA (Values in Action) at Home as part of efforts in developing positive values and important life skills in our children. A talk on the value of Responsibility has been conducted during Class Contact Time on 14 April 2021 and the children are encouraged to practise the value of Responsibility at home too.</p> <p>Please encourage your child to attempt the tasks under the various values listed in “VIA at Home” on page 15 of the Student Handbook. Kindly tick the box next to the task(s) that your child has performed and sign at the bottom of the page if you have yet to do so. Our teachers will be checking the Student Handbook</p> <p>There is no need to tick every box beside the tasks, just the ones which the children have already carried out. This will give us an idea how far our children have been able to put these values into practice at home. We hope that our children will continue to practise these good habits.</p>	ST1												
4.	<p><u>TraceTogether (TT) Token/App in Schools</u></p> <p>The usage of TT Token/App in schools is currently <u>not compulsory</u>. However, students are <u>encouraged</u> to be part of the nationwide contact tracing effort by having a TT Token or App with them in schools.</p> <p>To prevent the loss of TT Tokens, students are encouraged to personalize their tokens by using a permanent ink marker to write their name/class on their token to facilitate the returning of the tokens to the rightful owners.</p> <p><u>Students who have lost their tokens</u> should try to find their misplaced TT tokens from the school's lost and found. This is where the personalisation of tokens would help to facilitate the recovery process.</p>	ST1 and ST3

	Students who are still unable to recover their tokens from school's lost and found stash should proceed to a Community Centre to report the loss and to get a replacement as soon as possible.	

Thank you.
