2.	<p><b><u>COVID-19 reminders</u></b></p> <p>In light of the evolving COVID-19 situation and rise in community cases, students are reminded to remain vigilant at all times. Students should continue to practise good personal hygiene and adhere to Safe Management Measures(SMMs). Students who are unwell, or who have household members on Home Quarantine Order/Stay Home Notice or have adult household members with flu-like symptoms such as fever and cough, are required to stay away from school. Please alert your child's form teachers if your child will be kept at home due to the scenarios as described above so that work can be arranged for your child to avoid disruption to learning.</p> <p>In tandem with the national roll-out, TraceTogether-only SafeEntry will be implemented in schools <b>from 17 May 2021</b>. Students are to bring their TT token and have it with them throughout the school day to facilitate accurate contact tracing, should the need arise. Visitors and parents must check in using their TT token or app to be allowed entry into the school and must have their TT token or app with them throughout.</p> <p>We strongly urge parents and students to play their part by continuing to be socially responsible and work alongside with us in implementating all necessary SMMs to ensure the continued safety and well-being of our students and staff.</p> <p>Stay safe, stay healthy!</p>	ST1 and ST3

4	<p><b>Heavier Breakfast for P4 Students on Assessment Days</b></p> <p>Our P4 students have been reminded during their class assessment briefing that their usual snack break time (8.30am - 8.40am) will be affected during the upcoming mid-year assessment days. They will have their snack break after their assessment papers instead. Students are strongly encouraged to have a heavier breakfast especially on <b>Tuesday, 11 May</b> (Science Paper) and <b>Tuesday, 18 May</b> (Mathematics Paper) as the durations of these papers are longer.
