| 2. | <p data-bbox="188 441 707 470"><b><u>COVID-19 Safe Management Updates</u></b></p> <p data-bbox="188 477 1398 674">With the sharp increase in the number of community cases, including the spike in unlinked cases, there is a need to reduce interactions and avoid the risk of large clusters. As such, MOE has stepped up precautionary measures to safeguard the well-being of all students and staff. All primary, secondary, junior college (JC) and Millennia Institute (MI) students will shift to full Home-Based Learning (FHBL) from 19 May 2021 (Wednesday) till end of the term on 28 May 2021 (Friday).</p> <p data-bbox="188 712 1398 779">Where the school is concerned, please note that work will not be assigned on 26 May (Vesak Day ) and 28 May (PCTC).</p> <p data-bbox="188 817 1398 907">As Work-From-Home is once again the default work arrangement for workplaces, parents who are able to work from home are strongly encouraged to keep your children home during FHBL period.</p> <p data-bbox="188 945 1398 1034">Parents working in essential services or who are unable to secure alternative care arrangements are to contact the school by <u>4.00pm today</u> for assistance. School will review all requests on a case-by-case basis and will aim to revert to parents by end of the work day.</p> <p data-bbox="188 1072 1398 1184">Parents with children enrolled in SCC are also strongly encouraged to keep your children home during FHBL period. Kindly note that SCC will only offer half-day care services on 19, 20, 21, 24, 25 &amp; 27 May, and full-day care services on 28 May, the day scheduled for PCTC.</p> <p data-bbox="188 1223 783 1252"><b>FHBL period and upcoming June Holidays</b></p> <p data-bbox="188 1258 1398 1415">During this period of FHBL and over the upcoming June Holidays, students are reminded to stay at home as much as possible and refrain from visiting each other's homes. Project meetings and other schoolwork that require collaboration should be done online. They should continue to practise good personal hygiene habits and adhere strictly to Safe Management Measures even whilst not in school.</p> <p data-bbox="188 1453 1398 1632">For contact tracing purposes, students who return to school during FHBL and June holidays will be required to check in to SafeEntry using their TraceTogether Token and carry it with them at all times. Students who are unwell, or who have household members on Home Quarantine Order/Stay Home Notice or have unwell adult household members with flu-like symptoms such as fever and cough, are required to stay away from school.</p> <p data-bbox="188 1671 1398 1738">We strongly urge parents and students to play their part by continuing to be socially responsible and remain vigilant to ensure the continued safety and well-being of everyone.</p> <p data-bbox="188 1776 528 1805"><b>Implementation of FHBL</b></p> <p data-bbox="188 1812 1398 1901">During the FHBL phase, students will access a range of both online and hardcopy HBL materials, so that learning continues uninterrupted. The Singapore Student Learning Space (SLS) platform will also be used.</p> <p data-bbox="188 1939 1398 2007">All information regarding HBL can be accessed from the school website under the tab "General Information".</p> | ST1 and ST3 |
