3.	<p><u>Transition to Pen for P3 Students</u></p> <p>As communicated at the Start-of-Year Meet-the-FTs session in Term 1, P3 students will be making the transition to the use of pen starting from Term 3 2021. The students will be guided by their teachers to transit to <u>Blue / Black ink pen</u> for daily work / assignments, and <u>Green ink pen</u> for corrections. To cultivate good writing habits, <i>students should not use pens with erasable ink, and correction tape is discouraged (though students may use it sparingly in transitional years)</i>. Your child would <u>continue to require 2B pencils as well</u> (for example, for shading of OAS). As subject requirements and/or children's readiness may differ, we seek your understanding to take cue from your child's teachers on when to use ink. In the meantime, we seek your help to get the necessary stationery ready for your child's use. Thank you.</p>	ST1
