| 2  | <p><b><u>COVID-19 Reminders</u></b></p> <p>In the light of the evolving COVID-19 situation, please continue to remain vigilant at all times and continue to inculcate personal and social responsibility in our children and adhere to all necessary Safe Management Measures. These include wearing masks, washing hands frequently, wiping down equipment and tables after each use, seeing a doctor immediately if they feel unwell and returning to school only when fully recovered.</p> <p>Students who are unwell should seek medical attention immediately, and not come to school. Parents are to keep their children at home if their children or household members are unwell with flu-like symptoms. Students who have household members on Home Quarantine Order/Stay Home Notice/required by MOH to undergo mandatory testing due to a COVID-19 cluster are also required to stay away from school.</p> <p>In addition, students or students with household members who have been put under the Ministry of Health's (MOH's) Health Risk Warning (HRW) will be placed on Approved Absence (AA)/ Leave of Absence (LOA), and will only be allowed to return to school after the Polymerase Chain Reaction (PCR) swab test result is negative and they are well. Students or students with household members who have been put under Health Risk Alert (HRA) will be able to return to school, but should limit their social interactions as an added precaution, monitor their health and see a doctor promptly if they feel unwell.</p> <p>Thank you for your cooperation.</p> | ST1<br>ST2<br>ST3 |
