6	<p><b><u>Complimentary Copy of Comic Strips Publication for P3 CL and ML and P4 CL students</u></b></p> <p>To foster students' interest in and ignite their love for writing through fun learning activities, the Mother Tongue department embarked on the Comics Expression project for P3 CL and ML, and P4 CL students. The students completed a 2-hour workshop which taught them the basics of comic strip production. Each student was then tasked to produce a comic strip which depict the school values- Respect, Responsibility, Resilience, Integrity, Care and Harmony- in action. These stories are also a reflection of our children's lived experiences. The task not only requires good storytelling skill but also creativity in drawing, but our children rose to the challenge.</p> <p>This programme culminated in the school's first publication of our students' work entitled "Komick Si Cilik" or "漫画小豆芽", which is a compilation of 75 pieces of our students' work. The school is pleased to present each student involved in this enrichment programme a complimentary copy of the publication for their reading pleasure.</p>	ST1
