3	<p><u>June Holiday Reading Activities</u></p> <p>Reading fuels the curious mind and supports our students in comprehending the world around them. We strongly believe that helping our students cultivate the love for reading is beneficial for their learning and we need to maintain this good reading habit during the school holidays.</p> <p>Our teachers have put together some reading related resources in SLS to encourage your child/children to continue to read. Some of the examples are as follows:</p> <ul style="list-style-type: none">• MATH: Henry the Fourth - learning of ordinal numbers for Primary 1 students• MT: 你跑错书了 – learning of comprehension for Primary 2 students• EL: The Great Realisation – learning of rhyming for Primary 3 students• SCI: My Shadow – learning of 'light' for Primary 4 students <p>For those who are interested to venture into reading of other e-books, you can access them at NLB online at https://eresources.nlb.gov.sg/main/Pages/Primary. As long as your child is a NLB member, he/she can register for a myLibrary ID that would allow your child to access to the digital library services. Parents can also set up your Libby (NLB app for e-books and audiobooks) free account at https://libbyapp.com/interview/welcome#doYouHaveACard.</p> <p>You may browse through some of the interesting titles at DiscoverReads (https://eresources.nlb.gov.sg/ereads/DiscoverReads?level=p1) for English Language storybooks, and scan the QR below for Chinese Language storybooks.</p>	ST1 and ST3
