| 3   | <p><b><u>P5 Maker Education Programme: Leveraging Design Thinking to Improve Our Classrooms (3&amp;4 August, 2.15pm to 4.45pm)</u></b></p> <p>The school will be conducting a two-day design thinking and making workshop for our Primary 5 students. The sessions will be conducted by external coaches and monitored by Form Teachers.</p> <p>The students will be involved in creating prototypes incorporating creativity, as well as the application of design thinking to solve problems identified in their classrooms. They will also get to work with materials and tools to complete their projects and strengthen their fine motor development. We hope our students can learn to be responsible and be resilient while completing their projects, and will develop good design thinking and problem solving skills after the sessions.</p> <p>The external coaches, Form Teachers and students will adhere to the Safe Management Measures guidelines throughout the sessions. The workshops are also fully subsidized by the school. Please give your consent to allow your child/ward to participate in the programme via the PG Consent Form.</p> | ST1 |

Thank you.
