One parent of each student will be invited to watch the performance via our Parents Gateway (PG) invitation. Kindly refer to the details in the PG invitation and click on the “Yes” or “No” button to indicate their attendance by Friday, 12 May 2023.

5. Fun Science @Recess

Fun Science @Recess is a new initiative aimed at developing students’ interest and arousing their curiosity in science as they engage in exploratory learning beyond the classroom lessons.

Fun Science @Recess will be a monthly event held during the three recesses (at the sheltered basketball court) with the help of our parent volunteers and Science Leaders.

Students are welcome to join us at our first Fun Science @Recess event on Thursday, 18 May, where fun science activities await them. There will be opportunities for all to discover new knowledge and draw connections between science and their everyday lives!

6. P3: Co-Curricular Activities (CCAs) Selection for 2023

We would like to extend our appreciation to all P3 parents for supporting and giving consent for your child to participate in the CCA experience that was conducted between February and April. We hope the experience has allowed for your child to make an informed decision about their choice(s) of CCA.

Kindly note that the official CCA selection/recruitment exercise for P3 students will commence on **10 May 2023**. After this CCA selection/recruitment exercise, the students will be allocated a CCA and will begin their CCA journey in Term 3.

CCAs are an integral part of our students’ holistic education. While CCA is **not compulsory** in primary schools, participation in CCA fosters social integration and deepens students’ sense of belonging, commitment and sense of responsibility to school, community and nation.

The purpose and intent of CCAs are:

- To provide students with a platform to discover interest and talents.
- To help students acquire useful life skills and 21st Century Competencies to be:
 - ✓ A Confident Person
 - ✓ A Self-Directed Learner
 - ✓ A Concerned Citizen
 - ✓ An Active Contributor
- To cater to a broad spectrum of interests and talents.
