2.	<p><u>Read for Books</u></p> <p>"Read for Books" is a charity book drive aimed at raising awareness and sharing the gift of reading with the less privileged. For every 10 people who read for 15 minutes, a book is donated to selected beneficiaries.</p> <p>From 1 to 31 July 2023, Fern Green Primary School conducted 75 reading sessions involving all staff and students in support of "Read for Books". As a result of these efforts, we have successfully raised 238 books for the beneficiaries!</p> <p>As a token of appreciation for your child's participation, an e-bookmark is available for download at https://file.go.gov.sg/thank-you-rfb23.pdf. Let's continue to read more, read widely, and read together!</p>

3. Donation Drive for Children's Magazines

As part of our ongoing commitment to foster a love for reading among our students, the school is launching a special donation drive aimed at expanding our reading resources.

We would like to request for your support in donating children's magazines for this initiative. Examples of children's magazines include *Cricket*, *Reader's Digest*, *National Geographic Kids*, *The Young Scientists*, *Smart Mathematicians*, etc. These magazines will be used to fill the school's *Mighty Book Truck*, a mobile library that brings the joy of reading directly to our students during recess.

Donating is easy! Simply gather any used children's magazines that are still in good condition and have your child drop them at the collection point outside the General Office from 18 to 31 August 2023. Every magazine you donate will help contribute towards enriching the reading experiences of our students. We thank you for your continued support!

4. BCA Green Mark Certification: BCA GREEN MARK AWARD GOLD^{PLUS}

The BCA (Building and Construction Authority) Green Mark certification scheme was launched in January 2005. It is a green building rating system designed to evaluate a building's environmental impact and performance. It provides a comprehensive framework for assessing the overall environmental performance of new and existing buildings to promote sustainable design, and best practices in construction and operations in buildings.

Our Strategic Thrusts

ST1: Nurturing Future-Ready Learners

ST2: Growing Competent & Happy Staff

ST3: Fostering Effective Partnerships

No.	Item
-----	------

The key criteria include

- Climatic responsive design
- Building energy performance
- Resources stewardship
- Smart and healthy building
- Advance green efforts

Our school has been making consistent efforts to implement energy-saving measures to reduce its energy consumption and to strive towards sustainability. It gives us great pleasure today to share that, because of our concerted efforts and our partnership with all, the school has been awarded the **BCA GREEN MARK AWARD GOLD^{PLUS!}**

Thank you for always supporting us in our green initiatives!

5. Parents: Mother Tongue Languages Symposium (MTLS) 2023

MTLS is returning to a full face-to-face symposium this year. It will take place on Saturday, 26 August 2023, from 10.00am to 9.00pm, at Suntec Convention Centre Hall, 404-405.

Filled with fun, interactive and hands-on activities, MTLS provides a space for children to immerse in their MTLs and providing more opportunities for parent-child interaction. For more details, please refer to the electronic pamphlet below and www.mtls.edu.sg.

We hope to see you there!
